### **NOTES ON THE TRANSITIONAL CALENDAR**

Due to the start of the calendar in January 2023, SHS 3 cannot enjoy a prolonged break. This is to allow SHS 1 and SHS 2 to be in school as well.

This means that the calendar will have to be fine-tune so that SHS 3 students can attend class continuously from January 2023 through the end of September 2023, when the WASSCE ends.

In the transitional option, two (2) of the three (3) year groups must be in school at a given time.

In addition, the Colleges of Education have received an increase in their schools' enrolment as a result of the Free Senior High School programme which required short term solution.

Finally, the 2023 calendar ensures that teachers get a break.
